Das ist der Grundstein jeder Country-Musiksammlung! - Colin Escott, Mai 2018

Wer war der größte Country-Sänger aller Zeiten? Manche mögen sagen, Merle Haggard, aber Merle war anderer Meinung. *"Ich kann die Wirkung von Lefty Frizzell nicht beschreiben"*, sagte Merle. *"Die Seele von Hank Williams, der Reiz von Johnny Cash und das Charisma von Elvis Presley. Er hatte alles. Er war ganz in Weiß gekleidet - Helden sind es normalerweise. Der Einfluss, den er auf die Country-Musik und auf mich hatte, ist nicht einmal messbar."* George Jones begann seine Karriere fast als Lefty-Nachahmer. Ein Großteil von Willie Nelsons Phrasierung stammt von Lefty Frizzell. Als Roy Orbison zu den Traveling Wilburys kam, war es als Lefty Wilbury. Leftys Lieder brachten neu entdeckte Poesie in die Country Music. Lefty Frizzells Einfluss ist unermesslich.

Ein wenig Geschichte. Wir von Bear Family haben uns immer für Lefty Frizzell eingesetzt. 1984, als Lefty fast aus der Country-Musikgeschichte herausgeschrieben wurde, haben wir eine umfangreiche 14-LP-Box herausgegeben, die alle seine bekannten Aufnahmen enthält. Das war nicht einer unserer Bestseller, aber es musste getan werden, weil Lefty so wichtig war. Dann begannen Merle Haggards neue Aufnahmen näher an Lefty heranzukommen, ebenso wie Keith Whitleys Platten. Die Leute fingen wieder an, über Lefty zu reden. Willie Nelson nahm ein Tribute-Album auf, From Willie to Lefty, und Leftys jüngerer Bruder David brachte den Namen Frizzell zurück in die Charts. Lefty wurde schließlich in die Country Music Hall of Fame aufgenommen. Und dann kam die CD-Ära, und so haben wir 1992 unsere LP-Box als 12-CD-Set 'Life's Like Poetry' neu aufgelegt, viele neu entdeckte Nicht-Session-Aufnahmen hinzugefügt und das Buch mit vielen neu gefundenen Fotos neu gestaltet.

Jetzt ist es also mehr als 25 Jahre nach der ersten CD-Edition. Noch mehr Aufnahmen und viele weitere Fotos wurden zusammen mit viel mehr Informationen über Leftys Leben gefunden. Jetzt ist es Zeit für Bear Family, das letzte Wort zum Vornamen in der Country-Musik zu veröffentlichen. Diesmal sind es ZWANZIG CDs, einschließlich David Frizzells Audiobiographie, die nicht auf unserer Original-LP-Box war, und viele, die nicht auf der ersten CD-Box waren! Das Buch ist jetzt im Hardcover-Format und in jeder Hinsicht stark erweitert.
